**PhD program in**

**AGRICULTURAL, FOREST AND FOOD SCIENCES**

---

**SCIENZE AGRARIE, FORESTALI E ALIMENTARI,**

**SAFA**

# BASIC INFORMATION

## **Objectives of any PhD program**

Educational course to acquire high-level research competences for a research position in Universities, research institutes, public and private bodies, both in Italy and abroad

## **Duration**

3 years, starting from November 1<sup>st</sup>

## **Full time activity but not “lavoratore dipendente”**

## **Casting**

PhD student, scientific tutor, tutor, PhD board, coordinator, school director

## **PhD students have representatives**

- Department council (Consiglio di Dipartimento)
- Board of the PhD course (Collegio docenti): **Ottaviano Chiriac, Valentina Guarino, Sarvia Filippo, Donna Matteo** (PhD-representatives).
- School committee (Consiglio della scuola di dottorato)

**Courses**

## **WHAT DO WE EXPECT FROM YOU?**

You should develop a deep knowledge in a specific topic

1. You should be able to interact with your peers on that topic
2. You must write papers and transfer the knowledge you have acquired
3. You must bring new ideas/methods in your research group

**BRIEFLY, WE ARE HAPPY IF, BY THE END OF YOUR PhD, YOU KNOW MORE THAN YOUR TUTOR ON YOUR RESEARCH TOPIC**

## **HOW WILL WE HELP YOU TO REACH THIS OBJECTIVE?**

We will «offer» you:

1. Statistical training to explore data
2. English training to enhance your presentation and writing skills
3. Workshops/courses on where to publish your results and other useful tips
4. Stages abroad
5. Thematic workshops and courses

We encourage you to find conferences, courses etc.. that may help your scientific growth (you have a budget for that).

# **THE SCIENTIFIC REQUIREMENTS TO BECOME A DOCTOR ARE 180 Research credits (CFR)**

You get CFR through both mandatory activities and other activities you choose

## **MANDATORY ACTIVITIES**

### **Courses**

at least 20 CFR

### **Research stage abroad**

at least 3 months (better 6 months, compulsory 6 months for PNRR PhD students),  
maximum 18 months of which maximum 12 months with economic support  
(50% grant increase)

### **Conferences**

at least 1 presentation during the 3 years

### **Oral presentation to an evaluation board**

at the end of the 1<sup>st</sup> and 2<sup>nd</sup> year

### **Active Seminar, possibly outside DISAFA**

minimum one, during the three-year period

### **Scientific paper**

at least 1 as a first author, accepted on an ISI/Scopus journal

### **Thesis**

in Italian or in English, monography or collection of 3 papers

You can submit for creditization a maximum of:

**15 courses**

**5 conference presentations**

**6 active seminars**

**5 papers (related to the PhD topic)**

**Teaching activity (only if officially appointed)**

Credit form is not intended for the evaluation of the quality of your PhD career, it is rather a tool for the professor board to check that you are regularly fulfilling the requests of the PhD course and, eventually, propose some contingency plans

These last two years, the Annual Presentations took place in a meeting at PraCatinat in the Alps (Sept. 2022) and Castellania in the Colli Tortonesi (Sept. 2023). A similar organization is planned for the next year

Activity	conditions	Credits and notes
Courses, seminars, winter/summer schools (max 15)	$\geq 20$ CFR	Mandatory: some SAFA courses & 20 CFR, all courses 6 h/CFR
Attending to conferences, workshops	Recommended	No Credits
Publications (max 5 related to PhD topic)	$\geq 8$ CFR	Mandatory: 1 ISI 1° as first author. 4-12 CFR depending on role & journal ranking
Presentations at conferences (max 5)	$\leq 10$ CFR	1-3 CFR depending on role, type of event, type of presentation
Annual presentations	$\leq 3$ CFR	Mandatory: 0-3 CFR depending on the evaluation (D to A)
Stage abroad (3-6 months, up to 18)	$9 < x < 39$ CFR	3 CFR/month during the 3 mandatory months, then 2 CFR/month
Seminars (given)	$\leq 6$ CFR	0.5-1 CFR/seminar. Max 2 seminars/year. Not counted if at DISAFA
Patents		1-2 CFR depending national/international
Teaching	$\leq 40$ h/y	1 CFR/10 h «assistenza alla didattica» officially appointed

Next academic year we will offer the course of Climate Change in Crops and Forest. This course is composed of several modules that can be chosen optionally

Course	hours	module	teacher
Climate Change in Crops and Forests	8	Climate and climate change	Cassardo Claudio
Climate Change in Crops and Forests	8	Plant strategies for adaptation to climate constraints	Lovisolio Claudio
Climate Change in Crops and Forests	8	Effects of climate change on crops and weed management	Vidotto Francesco
Climate Change in Crops and Forests	8	Forests in a changing climate	Motta Renzo
Climate Change in Crops and Forests	4	Mitigation Options for Reducing GreenHouse Gases (GHG) Emissions of Agroecosystems	Fogliatto Silvia
Climate Change in Crops and Forests	8	Genomics approaches for crop improvement against adverse climate conditions	Barchi Lorenzo
Climate Change in Crops and Forests	8	Insect response to climatic variables	Ferracini Chiara
Climate Change in Crops and Forests	8	Plant pathogens epidemiology and control under changing climate conditions	Mezzalama Monica
Climate Change in Crops and Forests	8	Soils in a changing climate	Freppaz Michele
Climate Change in Crops and Forests	8	The role of Remotely Sensed Open Data for mapping climate change effects	Borgogno Enrico
Climate Change in Crops and Forests	8	Policy, Society and Economics adaptation to Climate change	Blanc Simone
Climate Change in Crops and Forests	8	Optimization of agro-food chains and transformation processes under climate change	Rantsiou Kalliopi

\*maybe some modules can be anticipated to November-December

All didactic material, as well as online tests, are available through the Moodle platform

# Safety Course

**All PhD students must attend this course (that will be held in Campus end of February-beginning of March) unless they attended this course at Unito (they were enrolled as students at Unito) less than 5 years ago.**

Contents of the course.

- **First part:** Principi generali di sicurezza (Modulo di e-learning) - 4 hours on the Moodle platform  
<https://elearning.unito.it/samev/course/view.php?id=3429>  
At the end there is a test on-line
- **Second part:** Rischi specifici (Lezioni in presenza) - 8 hours (one single day)  
Le lezioni si terranno in presenza (Aula Magna A+B – Campus SAMEV Grugliasco)

## SCIENTIFIC PAPERS

TYPE	Credits
as a first author on a 'Q1' level journal	12
as a first author on a 'Q2' level journal	10
as a first author on a 'Q3-Q4' level journal	8
as first author on non-ISI journals	0
not as a first author on ISI journals	First author *0.5
not as a first author on non-ISI journals	0

Publications on non-ISI journals may give credits for the activity «Research dissemination» but some limits apply (max 6 credits in 3 years)

## ADMINISTRATIVE DOCUMENTS

What	when	1° year	2° year	3° year
Tax payment	< October		x	x
Annual research program	31 Jan (1° year	x		
Oral presentation	September	x	x	
Annual report	Ca. mid-Sept	x	x	x
Credit form	Ca. Mid-Sept	x	x	x

**PLEASE, READ CAREFULLY THE INSTRUCTION SECTION ON THE WEBSITE!**

**For administrative deadlines, refer to the UNITO web page and to MYUNITO account**

## FURTHER SPECIFICATIONS

- Full time: you have to ask for authorization in case of work elsewhere
- **Admission to the 2<sup>nd</sup> and 3<sup>rd</sup> year: oral presentation + tutor's evaluation of the PhD student's activities**
- Thesis within 6 months after the end of the 3-years course, evaluated by 2 external reviewers for admission to final examination (3 or more members)
- No extension (6 months in case reviewers require major revisions)

# FINANCIAL SUPPORT

	With scholarship
50% increase in scholarship when abroad	Yes
Travel & insurance	Yes
Courses, seminars, conferences	Yes
Consumables (<1500)	Yes

Total amount is 5,250€, (typically 1,750€ per year, only for formative events, consumables, small equipments such as notebook that, at the end of the PhD will be the property of the department)

# TUTORSHIP

**You will have to choose/be assigned to**

- a) Supervisor (Academic)**
- b) Co-supervisor/s (Academic or non-Academic)**
- c) Mentor (intended for solving problems that cannot be solved with the Supervisor)**

**Supervisor/Co-supervisors and Mentor will be officially approved during the next «Collegio dei Docenti» (PhD Professor Board)**

**The role of the Supervisor is of CAPITAL IMPORTANCE. She/he will be your unvaluable guide over the whole PhD period. Please do not take decisions, ask information to PhD office, PhD coordinator, administrative staff, without *a priori* exchange with your Supervisor (or Co-supervisor)**

# IN CASE OF NON-SCIENTIFIC PROBLEMS

- In addition to your scientific supervisor, you've been assigned to an expert professor, member of the PhD board, who may help you to solve unpleasant situations. Matches will be done during next board meeting.
- Keep in mind that the University has the «consigliera di fiducia» who gives advices on problems related to unfair behavior. It's avv. Elena Bigotti [consiglieradifiducia@unito.it](mailto:consiglieradifiducia@unito.it)
- The appropriate behavior is described in codice di comportamento (also from the SAFA website) [https://www.unito.it/sites/default/files/decr\\_codice\\_comportamento\\_646\\_2016.pdf](https://www.unito.it/sites/default/files/decr_codice_comportamento_646_2016.pdf)
- For more general matters on discrimination and else, UNITO has the Comitato Unico di Garanzia (CUG). <https://www.unito.it/ateneo/organizzazione/organ-di-ateneo/comitato-unico-di-garanzia>

# Login credentials and emails

Credenziali da dottoranda/dottorando per accedere ai servizi della ricerca ^

Nell'arco del mese successivo al perfezionamento dell'iscrizione, saranno attivate le credenziali da dottorando (SCU), così costituite:

- **Username:** generalmente (a meno di casi di doppio nome, doppio cognome o di omonimia) è formata dalla prima lettera del nome seguita dalle lettere del cognome fino ad un massimo di 8 caratteri (ad esempio: per l'utente Mario Rossettini la username corrisponde a mrossett)
- **Password:** la password predefinita corrisponde al codice fiscale digitato in maiuscolo

Le credenziali da dottorando **consentono** di accedere:

- alla MyUniTo Assegnista e Dottorando e alla Intranet di Ateneo
- alla webmail del personale dell'Ateneo (si veda di seguito)
- alla **piattaforma IRIS** (catalogo dei prodotti della ricerca) e ad altri servizi on line riservati al personale dell'Ateneo.

Per motivi di sicurezza è obbligatorio il cambio della password ogni 6 mesi.
